For all your drain camera needs

PRODUCT SPECIFICATION
40 mm / 120 m kit

PIPE INSPECTION

Camera Kit - 40 mm / 120 m

Self-levelling camera. Longer reach. Local support.

SEE. RECORD. REVIEW.

Inspect longer sections of pipes, drains and ducting. Record video, capture photos and add spoken observations for maintenance records.

Keep your image upright

Self-levelling camera keeps the image upright as the head rotates inside the pipe.

Light up the inspection

18 adjustable LEDs let you control brightness to suit the pipe and viewing conditions.
